| <b>Ecole des Mines de Saint-Etienne, Ingénieur Civil des Mines</b>                                                                 | <b>Saint-Etienne, France</b> |
| <ul style="list-style-type: none"><li><b>Coursework:</b> Big Data, Deep Learning, Game Theory, Micro-Macroeconomics</li></ul>      | 2022 – 2026                  |

## Skills

**Programming:** Python (pandas, numpy, scikit-learn, statsmodels), SQL, C, R, Git  
**Languages:** French (Native), English (C1 - 940 TOEIC), Spanish (B2)

## Extracurricular Activities

Awarded the **Louis Neltner Excellence Scholarship** (2022) and the **EDF – Institut de France Scholarship** (2023)  
Founder of the **Mines Saint-Étienne Finance Association** (2023)  
Member of the **rugby team** of Mines Saint-Étienne (MORSE) and later ENSAE (TARC)
